PRODUCT EVALUATION PROGRAM

CARPET RE-CERTIFICATION PROCEDURE

(To be submitted every five (5) years)

Product suppliers wishing to re-certify conformity a product shall furnish the following:

1. A letter to FSPMA, which is notarized and signed by an officer of the company, stating that the product has not changed from the original submission and the statement must include the original submission date. Duplicate products with different names manufactured by the same parent company will be approved if an officer of the company certifies the same.
2. A separate Manufacturer's Certification, FORM B, for each product, listing the exact brand name and it's respective FSPMA specification number.
3. Copies of Independent Laboratory reports showing the results of the tests listed in Section IV.C of each specification for which samples are being submitted. The product name as is listed on both FORM B and E must appear on the tests. A testing summary form should be attached to indicate the results of each required test for the appropriate MC category. The test must have been done within the last 12 months.
4. A check for \$50 for each product must accompany each submitted product.

All forms shall be submitted to:
